

**Our sincere thanks to new member Francine Pender** who has volunteered to take over the treasurer's position in the absence of Ayn Bryant who has done a superb job but can't continue because of health reasons. Thank you Ayn for your years of service.

**FAA has existed for 50 years** because volunteer members kept it running. Now we have critical needs, some immediate and some for the 2014 board term. If you are a new member or renewing, please consider taking on one of the following positions.

### **Board Positions - 2014:**

**1<sup>st</sup> Vice President, 2<sup>nd</sup> Vice President** - These positions are in training for the presidency. Familiarity with the local arts community and with the FAA or other art association functional requirements is an asset.

### **Chair Positions - 2014:**

**Membership** - This is a Board position. Knowledge of Excel or similar spreadsheet program is essential. We need a volunteer to start training now.

**Shows Co-Chair** - This is a board position that includes responsibility for the Open Juried and the Open Judged shows at FAC, and the Open Juried Plein Air and the Volunteers' shows at Brandon Gallery.

**Programs/Workshops** - This board position finds and contracts with guest artists for our demonstrations and workshops.

**Bob Burton Center Exhibitions** - This committee chair works two Saturday mornings at the Bob Burton Center managing the change out of FAA members' art which hangs for six months. We need a volunteer to train at the October 2013 hanging.

**We always need set up and take down help** at each general meeting. We especially need **refreshment committee** volunteers to coordinate and set up refreshments for the general meetings

### **Plan to enter the Fall Open Judged Show which opens Nov. 8.**

**Once again FAA has received a County Grant Award** in the amount of \$10,500. Many thanks to Diane Jansen who prepared our financial statement in submission of this award.

**Your editor is embarrassed.** The last issue was called the June Issue in error. It should have been July. This month we've got it right, I hope.

### **Speaking of Volunteers...**

The portrait below is by FAA Secretary, Barbara Ollivares. It was on display at the Volunteers Show at the Brandon in July. Thanks for your good work Barbara, on all counts.
