Technically there is no FAA newsletter in July and August. These announcements serve to keep you up to date during the summer.

The potluck/silent auction was a grand success June 12 at the Fallbrook School of the Arts. There was a good turn-out. The food was good and plenty of it and we raised \$644 which will help meet some expenses. Thanks to those who participated.

Volunteers, get ready for the show at the Brandon that features your work, entry date, Aug 1, 10-12, no entry fee, three entries max. Show dates are Aug. 1-31. Reception is Aug. 9, 4-7:00 pm.

FAA donates \$100 for an art award at the San Diego County Fair. That award was presented to Norm Daniels.

FAA members did themselves proud at the fair. Susan Keith won four separate prizes, a first for *Peek-a-Boo Shadows*, a still life watercolor, a third for *Coneflower*, a watercolor floral, a first for *Sunflower Fields Forever*, a watercolor landscape and a third for *Mamma Dove Waits Patiently*, a watercolor animal painting. Jack Ragland won a first for *Flags of San Marcos*, a cityscape acrylic. Kathy Klein received a third for *Night and Day* in the printmaking category. Shirley Calvert received a third for *Umbrellas*, a cityscape oil, and Ken Quigley received a special award from Watts Digital Photography for *Engine #3*, his photograph in the California State Parks category.

Other FAA artists in the exhibit were Karen Langer Baker, Pattie Bowler, Debbie Forbes, Helen Schafer Garcia, Patricia Hartman, Niki Hilsabeck, Peg Klinger, Patricia Sablac Korzec, Rosemarie Meis, Anita Plaks, Marilee Ragland and Richard Wynne.

Please welcome new member B.J. Lane, and, B.J., we look forward to seeing you at FAA events and working with you.

There are no general meetings or demos in July and August. Put Sept 11, 5:30-8:00 on your calendar now for the general meeting and demo by Catherine Grawin.

FAA Scholarship awards have been granted to two Fallbrook High School graduating seniors. Noreen Ring will provide the details in the September FAA Newsletter. FAA awards scholarships every year to graduating seniors. Your raffle purchases at the demos help raise the funds for these.

Attached with the mailing that brings you this News Brief is a survey that asks your opinion of FAA activities. Please fill it out and return it as directed.

And that's it for now. Have a wonderful summer.

Send your info for FAA News to phee21@mac.com by the 15th of the month.
