Notice! Meeting location and time change 2017

Significant changes in meeting location and time will be made in response to member concerns revealed in the recent questionnaire. Starting in 2017, the new location will be the Women's Club on the corner of Mission and Mission (yes, that's right). The new time is the 3rd Saturday. The general meeting and demo will be held in the morning followed by a lunch break. The guest artist's workshop will be in the afternoon. The move will be initiated with The Holiday Social in December. Details to come.

Meanwhile, the November meeting will be at the Fallbrook School of the Arts on Thursday, November 10th. Bring one piece for critique at 5:30. General Meeting begins promptly at 6:45.

*Email your news to Noreen Ring
reenierin@gmail.com
by the 15th of the month.
Use jpg, Word or Pages. Please, no PDF.*

FAA Calendar

*Meetings at Fallbrook School of the Arts,
310 East Alvarado in Fallbrook unless noted
otherwise.*

November 10: Demo by Li Shuang.

November 13: Workshop, if filled

December 6: Holiday Social 1:00 - 4:00
pm at the Women's Club. Details to follow.

February 18: Kevin Greeland

URGENT!!

We need a newsletter editor. Phee's last issue is January. That's just two months away. She will help you get started.

We need a Secretary who will participate in board activities by attending board meetings and taking notes.

Please consider stepping into a board position in FAA or be a volunteer. We've made a significant move by changing to a Saturday meeting date in a new location. Now is the time to step forward and be part of the group that keeps FAA running. Remember, we are and for decades have been, a key part of North County's art world.

Artist Shuang Li

will demonstrate her technique during the General Meeting Thursday, November 10th, at Fallbrook School of Arts 310 E. Alvarado Street, Fallbrook.

Born, raised and trained in China, Shuang Li received her BA Degree of Art History. After moving to the US she received her Master of Fine Arts Degree from the Department of Art, University of Oregon. Following the "en plein air" impressionism approach she paints in watercolors both on locations and in her studio, portraying the extraordinary variety of life with her unique perspective. She is a member of the National watercolor Society and San Diego Watercolor society. She regularly exhibits in national and international galleries. She has an extensive teaching background and has also juried many shows. Her workshop on November 13 will fill up fast, so if interested contact Carol Reardon at Carol.reardon@sbcglobal.net

LETTER FROM SUSAN FROMMER:

Congratulations everyone on a really well done FAA show. The variety of pieces was impressive the hanging of the show made an positive impact and the reception was especially nice due to the efforts of Carol Reardon. Special congratulations to all the award winners and many thanks to everyone who entered so the walls were filled with beautiful work.

As you all know, it takes a dedicated band of volunteers to create a show like this for everyone's viewing pleasure, so we need to extend a big thanks to show Chair Annie Youngblood and her crew of faithful volunteers.

I hope you are looking forward to our last two get togethers for 2016. One more demo and workshop and then on to the busy Holidays. With all the good

BRANDON GALLERY Small Works of Art Exhibition November 2 - 26

The 10th Annual Small Works of Art Exhibition will be on display November 2-26. Reception: November 5, 5:00 - 7:00 pm. The public is invited to attend. For those who participated, please remember to pick up your artwork on November 26, 11:00 am - 3:00 pm.

CONGRATULATIONS!!!

"Just Chillin" (pastel)

BEST OF SHOW
Fall 2016

cooks in the group, the Holiday party buffet is always a success. Be sure to sign up with your contribution at the November meeting. As a special "surprise" treat, a singing group I belong to will be providing entertainment during one part of the afternoon. So, now it is not a surprise, but that's OK.

Onward and upward to 2017 with our new meeting location and times!
